

larger group of nominees (termed the "WIDECAST"), a smaller subset (the "NARROWCAST") will be identified for more detailed consideration. The names of the NARROWCAST individuals, along with a short biosketch of each, will be posted on the SAB Website (www.epa.gov/sab), and public comments requested on the individual's expertise, real and perceived conflict-of-interest, and the overall balance of possible biases represented on the PMCIAP. Public reaction to the NARROWCAST candidates will be considered in the selection of the PMCIAP. Other selection criteria include the following: recognized expertise to address the Charge, ability to participate in an impartial and objective manner; and the need for balance among the members of the panelists.

PMCIAP members will be asked to attend at least one public meeting, possibly followed by a public teleconference meeting over the anticipated 3-month course of the activity. The Executive Committee (EC) of the SAB will critically review the PMCIAP's report and reach a judgement about its transmittal to the Administrator.
